

What is Goulburn River High Country Rail Trail

For nature and adventure lovers, The Goulburn River High Country Rail Trail is an accessible, varied and majestic rail trail that offers close proximity to heritage classified rivers, valleys, lakes, and mountains.

The project is an initiative of the Mansfield, Mitchell and Murrindindi Councils, with the support of Federal and State Government funding.

GOULBURN RIVER
HIGH COUNTRY
RAIL TRAIL

TALLAROOK - YEA - ALEXANDRA - MANSFIELD

What is Goulburn River High Country Rail Trail

GOULBURN RIVER
HIGH COUNTRY
RAIL TRAIL

TALLAROOK – YEA – ALEXANDRA – MANSFIELD

- Connection to beautiful towns along the trail, featuring historic buildings, art galleries and museums, food and wine experience, heritage features and great accommodation.
- Features Cheviot's Tunnel, built in 1889, the longest rail trail tunnel in Victoria.
- Trail variability
- Excellent accessibility via road and rail
- One of the longest rail trails in Australia
- Features magnificent scenery; a beautiful trail. Offers close proximity to an amazing array of natural features such as rivers, lakes, ranges and mountains. The trail follows the flow of the heritage-classified Goulburn River, and passes through the magnificent Trawool valley, classified by the National Trust for its scenic beauty.
- Located less than one hour from Melbourne
